# VIA BALTICA – SPATIAL DEVELOPMENT ZONE(PHARE IIC/INTERREG)

The general objective of the project was to build close, permanent and active relationships between the regions in the surrounding of VIA Baltica highway (E67) and to create a common view and solid basis for the further co-operation in the field of spatial planning and development.

Lead partner: Riga District Council (Latvia).

 Partners: Latvia, Finland, Estonia, Lithuania, Poland, Germany.

Duration: 24 months (1998-1999).

Budget: 1,087, 000 ECU.

#### BALTIC TANGENT (INTERREG IIIB)

- Goal: Creation of a strategy partnership and activity plan for the implementation of an improved secondary transport network to the main BSR infrastructure corridors, by focusing on transport infrastructure as a means for labour market development, industrial growth and expanded trade flows in the Baltic Tangent region and, thus, as a fundamental prerogative for a positive sustainable socio economical development on local and regional level.
- Result: A transnational infrastructure strategy for the BT cooperation area, a partnership and an activity plan for effective implementation of the results and conduct follow up activities for the realisation of the BT as a secondary infrastructure network with improved links to the BSR transport main infrastructure corridors.
- Applicant: Regional Council in Kalmar County (Sweden).
- Partners: Belarus, Denmark, Estonia, Latvia, Lithuania, Norway, Russia, Finland, Germany.
- Duration: 2 years (2005-2006).
- Budget: 1, 207, 450 Euros.

### Thank you

Panevėžys County conducts active cooperation, it is open for projects and assists their implementation.
